

SIZING CHART FOR SHEETS

BASSINET

Our Standard Bassinet sheets will fit most bassinet mattresses from Moses basket up to larger size bassinets, however, we do offer specifically made Moses basket fitted sheets.

The Oval Bassinet sheets will fit a Stokke Sleepi Mini as well as the Leander Cradle.

COT

Our American Standard Sheets fit a wide range of mattresses due to deep pockets and a gorgeous stretch knit fabric.

We offer a Continental size which fits smaller cots.

Our Oval sheets fit the Stokke Sleepi as well as the Leander and most other oval shaped cots. If your cot is mainly rectangular with rounded corners on the mattress, American standard is your best choice.

If you have any questions about our sheets and your bassinet/cot, please contact us at info@babu.co.nz
